**A Classically  
Modern  
Bumped Out  
Cabinet Hood  
Idea**

**A Focal Point  
With Clean Lines  
Wrapped in  
Crown Molding  
Flanked with  
simple corbels**

*“Kitchen remodeling  
is a process. Our  
kitchen and  
bathroom designers  
work on designs that  
change and evolve  
before going into  
production.”*

BEFORE

AFTER

Additional storage and counter space is gained by covering two openings on opposite walls

*“At Keystone Kitchens, Inc., we’re proud of our in-house team! Our installers are our employees, not subcontractors!”*
